## ***About Kentucky Riders.***

Kentucky Riders is a Norwegian country band, and represents a mixture of country, blues, rock and pop. Seven hard working great musicians make up this mixture.

It all started back in 1992, and since then they have appeared at various venues both in Norway and abroad. Small clubs or big festivals, Kentucky Riders will blow you away!

### ***The music:***

Kentucky Riders' music consists of own material and cover versions from various American country artists, both new and old.

In addition to getting the music right, the band tries through their live performances, to pass on energy and to communicate with the audience.

**Nina Tømte**, vocals  
**Torodd H. Eriksen**, vocals  
**Sveinung Lilleheier**, pedalsteel/guitar/vocals  
**Sven-Erik Hagen**, keyboards/vocals  
**Ole Kristian Wetten**, bass/vocals  
**Bjørn Petter Parborg**, el guitar  
**Odd Magne Løvlien**, drums

### ***Where has Kentucky Riders performed?***

The band has appeared at major country music festivals in Germany, USA, Denmark and Norway, and has been a support act for Carlene Carter and the Bellamy Brothers. They have also performed live on Norwegian national television and several local and national radio stations, including NRK1, P1, P3 and P4.

### ***Kentucky Riders' third CD:***

The third CD by Kentucky Riders was released in 2003. Several Norwegian newspapers and many listeners welcomed it. It is named: Kentucky Riders - goes cover "Songs we wish we wrote." (Rocade records)  
Sound samples can be downloaded from the webpage.
